About this Report

Boundary

The Mitsubishi Rayon Group

Time Frame

Fiscal 2007 (from April 1, 2007 to March 31, 2008)

Purpose of Issuing Report

The Mitsubishi Rayon Group issued its first Environmental and Safety Activities Report in fiscal 1998. Since then, the Group has introduced initiatives each year from the perspective of its relationships with society. In fiscal 2007, the Group set up the CSR Committee to oversee its CSR activities and changed the title of this report to the CSR Report. The report was revised to communicate with Group employees and achieve the aim of providing stakeholders with a comprehensive introduction to the CSR activities carried out by the Mitsubishi Rayon Group.

Referenced Guidelines

Japan's Ministry of the Environment's Environmental Reporting Guidelines (fiscal 2007 version)

Global Reporting Initiative (GRI)'s 2006 Sustainability Reporting Guidelines (third edition)
